

## **Dedicated Fund on Branding, Upgrading and Domestic Sales**

### **(Enterprise Support Programme)**

#### **Notes for Auditors of Funded Enterprises**

Pursuant to the agreement made between the Programme Secretariat of the Dedicated Fund on Branding, Upgrading and Domestic Sales (Enterprise Support Programme) (BUD Fund (ESP)) and the Funded Enterprises (FEs) (Project Agreement) in respect of each BUD Fund (ESP) project and/or the “Guide to Application for the Dedicated Fund on Branding, Upgrading and Domestic Sales (Enterprise Support Programme)” (Guide to Application), FEs are required to submit audited accounts<sup>1</sup> of each funded project to the Programme Secretariat according to a stipulated timeframe. The requirement to submit "audited accounts" is to assure the Government that:

- (a) the project funds were fully and properly applied to the project for which they were paid, and received and expended in accordance with the approved project proposal and budget annexed to the Project Agreement; and
- (b) the FEs complied with the funding terms and conditions in the administration, management and usage of the BUD Fund (ESP) project.

These notes aim to provide a guidance for Auditors of FEs in conducting reasonable assurance engagements and in preparing auditors’ reports for each BUD Fund (ESP) project.

2. In conducting a reasonable assurance engagement, the Auditors should perform such procedures<sup>2</sup> as they consider necessary in the circumstances and obtain all the information and explanations which they consider necessary in order to provide them with sufficient evidence to give their conclusion as to whether the FE has complied with, in all material respects, the requirements set by the Programme Secretariat and/or Government (including the requirements to keep proper books and records and to prepare audited accounts of the project), and

<sup>1</sup> The audited accounts (together with the progress or final report of the project) should comprise Statement of Income and Expenditure, Balance Sheet, Notes to the Accounts and Auditors’ Report. The audited accounts mean accounts of the project which have been reported on by Auditors under a reasonable assurance engagement conducted in accordance with Hong Kong Standards on Assurance Engagements issued by the Hong Kong Institute of Certified Public Accountants.

<sup>2</sup> The Auditors’ procedures would normally include:

- a. performing tests of transactions and of the existence, ownership and valuation of assets and liabilities;
- b. obtaining an understanding of the accounting systems and control in order to assess its adequacy as a basis for the preparation of the project accounts and to establish whether a proper and separate set of project books and records have been kept and maintained by the FE;
- c. assessing significant estimates and judgements made by the FE in the preparation of the accounts, and whether the accounting policies have followed the requirements of BUD Fund (ESP), consistently applied and adequately disclosed; and
- d. evaluating the overall adequacy of the presentation of information in the accounts.

all the terms and conditions of BUD Fund (ESP), as specified in the following documents :

- (a) the Project Agreement made between the Programme Secretariat and the FE in respect of the project and the appendices thereto (which includes the approved project proposal and budget);
- (b) paragraphs 5, 6 and 7 of the prevailing Guide to Application as at the date of submission of the application by the FE to the Programme Secretariat; and
- (c) all instructions and correspondences issued by the Programme Secretariat and/or Government to the FE in respect of the project.

3. The Auditors should comply with the Hong Kong Standards on Assurance Engagements<sup>3</sup> issued and updated from time to time by the Hong Kong Institute of Certified Public Accountants<sup>3</sup>. The following information is required in an auditors' report prepared by the Auditors to be submitted to the Programme Secretariat –

- (a) the Auditors should state whether, in their conclusion, the FE has complied with, in all material respects, the requirements set by the Programme Secretariat and/or Government (including the requirements to keep proper books and records and to prepare audited accounts of the project), and all the terms and conditions of BUD Fund (ESP), as specified in documents mentioned in paragraph 2 above<sup>4</sup> ;
- (b) if the Auditors are of the opinion that there exists any material noncompliance as identified in paragraph 3(a) above, they should make full disclosure and quantify the effects of such non-compliance in the auditors' report; and
- (c) if the Auditors are of the opinion that a proper and separate set of books and records have not been kept by the FE for the project, or the project accounts have not been properly prepared, or if the Auditors fail to obtain all the information and explanations which are necessary for the purpose of their reasonable assurance engagement, they should make appropriate qualifications in their auditors' reports.

4. The Auditors should plan and conduct the reasonable assurance engagement to satisfy paragraphs 2 and 3 above. In case of any ambiguity regarding the terms and conditions contained in the Project Agreement and rules and regulations governing BUD Fund (ESP) projects, Auditors should seek clarification from the Programme Secretariat. Any unreasonable reservation or denial of conclusion, for example, comments about ambiguity of BUD Fund (ESP) guidelines or requirements, expressed by Auditors in the auditors' report, will be returned to FEs for rectification before re-submission.

<sup>3</sup> The Hong Kong Institute of Certified Public Accountants would expect its members to apply those relevant and applicable Standards set out in Hong Kong Standards on Auditing when performing "Reasonable Assurance Engagements".

<sup>4</sup> In expressing the conclusion on the audited final account on the project among other things, auditors are required to report the FE's compliance with all the relevant provisions of paragraphs 5, 6 and 7 of the Guide to Application but are allowed to report the FE's compliance with paragraph 5.4.3 (keep proper and separate set of books of accounts and records of the project for a minimum of seven years after completion of the project or termination of the Project Agreement) of the Guide to Application up to and including the project completion/termination date.

5. The Auditors may come across during the course of their reasonable assurance engagements weaknesses/breakdown in internal control which is considered material. They should bring to the FE's attention the details of such weaknesses/breakdown and provide the FE with their recommendations for improvement by setting them out in a letter to the FE. A copy of such letter should be sent to the Programme Secretariat for reference and action as appropriate.

6. Auditors are expected to follow the specimen auditors' report as attached at the Annex.
